

HP Sales Central

HP DesignJet T525 36-in Printer (5ZY61A)

Active as of 20/05/2019

Overview

Save space, time, and money with a compact Wi-Fi plotter and stand that let you print in-house, right away. Speed up the PDF printing process. Print from your smartphone with the HP Smart app.² Get high quality and high speed.

Dynamic security enabled printer. Only intended to be used with cartridges using an HP original chip. Cartridges using a non-HP chip may not work, and those that work today may not work in the future.

The perfect fit – for your office and budget

Save space by placing the world's smallest plotters¹ wherever they fit best, using the built-in stand.

Save time by connecting and printing right away with Wi-Fi capabilities.

Save money by printing in-house with HP's most affordable plotters.²

Radically simple – from setup to printout

Speed up your PDF printing process with free HP Click software.

Easily access your files from cloud folders and print them using your smartphone with the HP Smart app.

Impress your clients with beautifully designed posters using the free and intuitive HP Poster Web app.

DesignJet quality – from the most trusted brand³

Meet client expectations with high-quality, high-speed A1/D-size printing, as fast as 35 seconds.

Get perfectly matched color on both small- and large-format prints thanks to the built-in A3/A4 tray.

Achieve precise details with up to 2400 dpi and original HP/GL-2 capability.

Specifications

Functions
